## CALEB POWERS LOSES IN THE FEDERAL COURT

**His Case Was Today Unanimously Remanded to the Kentucky Courts For Trial.**

Washington, D. C., March 12.—In an opinion by Justice Harlan, the supreme court of the United States this afternoon remanded the noted Caleb Powers' case to the Kentucky courts for trial. The opinion is unanimous, and the court says that the case is not removable to the federal court.

The decision had been looked forward to with great interest for several weeks, and was expected two or three weeks ago. In many quarters the opinion is no surprise, many of Powers' warmest friends doubting the success of the effort to get the case out of the state courts.

Powers completed his sixth year in jail last Saturday, and has had three trials in the Kentucky courts, being twice given a life sentence, and once being sentenced to death. Each time the court of appeals reversed the case.

A number of cases of this kind have been brought before the supreme court in past years, but it was claimed there was a shade of difference between them and the Powers case. One of the claims in the latter was that Powers had a pardon when arrested, from W. S. Taylor, at that time governor of Kentucky. The pardon was not recognized by the state courts, but it was hoped that it would be by the federal court.

**Another Petitioner Also Denied.**  
Washington, D. C., March 12.—In an appeal of Anna Valentina, condemned New Jersey murderess, from the refusal of the circuit court, of New Jersey, to grant a writ of habeas corpus, the supreme court today affirmed the decision of the lower court. The relief thus refused her, New Jersey justice will take its course.

## NOW COMING DOWN THE HOME STRETCH

**Legislature Will Adjourn at Frankfort Tomorrow.**

**A Number of Changes Made in the Revenue Bill at Saturday Night Session.**

### PRISON CHANGES UNEXPECTED.

Frankfort, Ky., March 12.—The legislature is rapidly winding up its business preparing for an adjournment tomorrow. A great deal of work will be accomplished in the meantime.

#### May Be Changes at Prison.

Frankfort, Ky., March 12.—Appellate Clerk Chinn administered the oath of office to Prison Commissioners H. S. McCutchen and Eli H. Brown, who were elected at the present assembly session for a term of four years. The commissioners held a brief meeting, adjourning to meet again on Tuesday, April 8, next. At that time a number of changes among officials and employees of the two state prisons are expected to be announced. It is believed that Warden E. T. Lillard, of the main prison here, and Warden Henry Hagerman, of the Eddyville branch prison, will be re-elected to those offices at the April meeting.

The most important amendment made by the senate to the revenue and taxation bill was the adoption late Saturday night of an amendment offered by Senator Johnson reducing the tax on corporations from forty to thirty cents on \$1,000.

Senator Charlton's amendment to reduce the tax on trading stamp companies from \$500 to \$10 was adopted.

Senator Cox's amendment to reduce license on wholesale cigarettes from \$100 to \$25 was adopted.

Ward's amendment, reducing the license on druggists who sell liquor in less than quarts from \$150 to \$100 was adopted. Despite the efforts of whisky interests, the license on retail saloons was left at \$225. This is the amendment that caused the greatest discussion in the house.

The license on agents who loan money at high rates on salaries and furniture was raised to \$200.

The license for retailing patent medicines was made \$100 for the state instead of for each county.

The license on retailers of oleomargarine was increased from \$5 to \$50.

An effort to strike out the license on real estate agents was lost.

A deluge of amendments were offered when the provision was reached taxing blended whisky one and one-half cents a gallon. Peter Lee Atherton was on the floor to kill the provision. The Phelps amendment to substitute one cent was offered. Harbeson offered an amendment imposing a graded bulk license on

## STILL UNCERTAIN

**OPERATORS REFUSE TO MAKE ANY CONCESSIONS.**

**Strike Predicted Now in Both the Hard and Soft Coal Fields.**

New York, March 12.—The impression prevails here that a strike of anthracite miners is inevitable and a strike in the bituminous fields probable, unless President Roosevelt takes control of the situation and makes effective intervention.

**Operators Refuse Concessions.**  
Hazleton, Pa., March 12.—News of the operators' refusal of the miners' demands was received in the anthracite fields with deep regret by miners and business men. Hope was expressed that the operators would make concession which, however slight, might be accepted. While the opinion is expressed in certain quarters that a strike is certain, others well informed claim that the miners in this district will vote to accept the operators' offer that present conditions prevail three years longer.

**GENERAL MOODY**  
**Announces That He Will Not Retire From Cabinet.**

Chicago, March 12.—Attorney General Moody today denied the published statement that Ambassador Mayor is to succeed Secretary of the Navy Bonaparte, and Bonaparte to succeed Moody as attorney general, in Roosevelt's reorganized cabinet. General Moody said he had no present intention of retiring from cabinet.

**Big Fire in Texas.**  
Amarillo, Texas, March 12.—The Carson block, the finest structure in the city, was destroyed by fire this morning, entailing a loss of \$110,000.

**New French Cabinet.**  
Paris, March 12.—A new French ministry has been formed with Jean Sarrien premier and minister of justice.

## SEVERAL ARE HURT IN TRAIN WRECKS

**Two Killed and One Fatally Injured On B. & O.**

**Big Four Has Mishap Near Vienna, Ill.—Two Killed in Collision On the Burlington.**

### GREAT DAMAGE TO PROPERTY.

Toledo, March 12.—Two killed and fifteen injured, one of whom will die, is the list of fatalities in a wreck of two freight trains and fast passenger train No. 7, on the Baltimore & Ohio railroad, which occurred yesterday about two miles from Bloomdale, two engines completely wrecked and mail and express cars, coaches and four freight cars were demolished and burned.

**The Dead.**  
JOHN HOOTMAN, Chicago, Junction foreman.  
W. HOY, Wheeling, W. Va., postal clerk.

**Fatally Injured.**  
BENJAMIN C. SNOOK, Chicago Junction, mail clerk.

Among the injured were Edward Lott, Lacy, Iowa, scalded; H. W. Walcott, Sullivan, Iowa, scalded; William Jensen, Aurora, Ill., scalded. The passenger came along at full speed and hit the freight trains. In the ensuing collision the mail and baggage cars were thrown over the engine, two passenger coaches splintered and a Pullman derailed. The wreckage took fire but was soon extinguished.

### Wreck on the Big Four.

Calro, Ill., March 12.—Big Four local freight train No. 57 southbound, ran into the rear end of a work train near Vienna Saturday night at about 9 o'clock completely demolishing the latter.

The injured are: John Kaufman, of work train, bridge foreman, lost leg and severely bruised.  
Conductor M. Shields, of freight train, badly bruised about head and shoulders.

The accident was due to the carelessness of the crew of the working train.

### Cars Go Over Embankment.

Dubuque, March 12.—The Great Western passenger was derailed by a broken rail shortly before midnight. The engine, baggage and club cars and four sleepers were hurled over the embankment. The injured and passengers were brought to Dubuque shortly before noon Sunday. Among the injured is Miss Pearl Turner, of Des Moines, Iowa, slight.

### A Burlington Wreck.

Lincoln, Neb., March 12.—Burlington trains Nos. 1 and 14 collided head on two miles west of Akron, Col., at 5 o'clock. Sherwood, mail wagon on No. 14, and fireman King were killed. Engineer Hardy, of No. 14, was seriously scalded. Two engines, mail car and baggage car were reduced to wreckage.

### POLICE BOARD

**Will Meet Tonight—Commissioner Sutherland Starts Home.**

The board of fire commissioners will meet tonight in regular session but will have nothing to do but hear reports from Chief of Police James Collins and Chief of the Fire Department James Wood.

Mr. R. R. Sutherland, a member of the board who is now in California, is said to have started from Los Angeles yesterday and is due back in Paducah in a few days. He accompanied his daughter to the West for her health and she will remain there until permanently cured. Commissioner Sutherland was granted a leave of absence from the railroad shops where he is employed, and will resume his duties on arrival. He is said to be in excellent health and greatly improved by the trip.

### ESCAPED FROM LOCKUP.

**Will Taylor and Charles Grosshart Broke Out Side Door.**

Will Taylor and Charles Grosshart escaped from the lockup today by breaking out of the side door. They were both serving fines for a breach of the peace.

## THE WORST FEARS HAVE BEEN REALIZED

**List of Dead Between 1,200 and 1,300 Miners.**

**Soldiers on Guard and Many of the Bodies Taken Out Cannot Be Identified.**

### NO HOPE OF RESCUING ANY.

Paris, March 12.—The latest reports from Courrières as to the approximate number of casualties in the great mine disaster Saturday, give the figures at between 1,200 and 1,300. It is probable the exact number lost will never be known, owing to the fact that many bodies were probably destroyed by the fire which raged throughout the mine. There is little hope of getting out any miners alive or even discovering the bodies. The public buildings and most houses in town are draped in black.

The whole region stands appalled at the terrible tragedy which has brought sorrow to hundreds of families. The vast mortuary camp is under military guard, four hundred soldiers having arrived to assist in holding in check the crowds of distracted mourners. For a time hope had been held out to the people that tapplings on pipes by imprisoned men had been heard, but this hope vanished and the people demanded admission to see the bodies and even threatened to break through the cordons of troops who had the greatest difficulty in keeping the crowds from the pit.

The chamber of deputies will be asked to vote \$100,000 for the relief of the sufferers.

Rescue parties are continually descending.

Many acts of heroism are recorded.

Not on-half of the dead have been identified.

### NO DATE FIXED.

**For the Labor Union Carnival—Representative to Be Sent to Cincinnati.**

The carnival committee of Central Labor union held a meeting yesterday and will send a representative to Cincinnati this week to confer with an amusement association for the attractions for the carnival. No date has been arranged yet for the carnival, as it will depend on the attractions secured.

### Milton Sanchez's Mother Dead.

A telegram was received this afternoon from Mr. Milton Sanchez, president of the Paducah Traveling Men's club, announcing that his mother died today at Donaldsonville, La. She had been in bad health for some time, and he was called to her bedside several days ago.

## HERE'S WHAT '06 TAXES ARE TO BE PAID ON

**Recapitulation of the County Assessment Has Been Completed by County Clerk and Deputies.**

The recapitulation of McCracken county's assessment for this year has been completed by County Clerk Hiram Smedley and deputies, and shows an increase all along the line for this year.

A list of owners of personal property was made out and sent to the supervisors by an unknown person this year, and several thousand dollars worth of property were in this way assessed where otherwise nothing would have been listed. This is how most of the diamonds and pianos came to be assessed.

With all this, however, it is evident that a large portion of such property has still escaped both assessor and supervisors. The recapitulation is as follows:

Amount of bonds \$12,450.  
Amount of notes secured by mortgage \$124,273.  
Amount of other notes \$93,090.  
Amount of accounts \$98,115.  
Amount cash on hand \$53,047.  
Amount of cash on deposit in banks \$34,970.  
Amount of stock in foreign corporations \$1,800.  
Number of acres of land 140,656.  
Valuation each tract with improvements, \$2,239,365.

## \$200 REWARD

**HAS BEEN OFFERED FOR BILLY AUGUSTUS' SLAYER.**

**It Is Believed the Graves County Suspect Will Soon Be Arrested.**

Governor J. C. W. Beckham has offered a reward of \$200 for the capture of the alleged murderer of William W. Augustus, and renewed efforts will be made by officers to aid in the capture of Shumake, the young man who is supposed to know something about the case.

County Judge R. T. Lightfoot wrote to Governor Beckham last week suggesting that the state offer a reward for the capture of the alleged murderer. This morning he received a reply authorizing the judge to announce that the state offered a reward of \$200.

Detectives Moore and Baker with Chief McNutt, of Mayfield, and other officers, worked hard for the alleged murderer, but he gave them the slip. He was supposed to be hiding near Boaz, Graves county, and is now thought to be in Mississippi. Detective Moore, it is understood, is now south seeking the young man.

### NEW COMPANY

**Has Been Organized at Shreveport, La., by J. E. English.**

Mr. James E. English has organized the Shreveport Commission Co., at Shreveport, La., and is the manager of the company. The new company has started on with every prospect of success which is gratifying to Mr. English's Paducah friends.

### Three Proprietors in One Week.

The Palmer house will have three proprietors this week. Clerk Ott Adams is acting proprietor now, during the absence of Proprietor Charles Reed, who left yesterday for Chicago on business, and Mr. Reed will return in a few days and resume charge. Mr. Frank Murphy, representing the new owners, will arrive about Saturday to take charge.

## CITY CLERK MAY HAVE ASSISTANT

**Not Able to Finish His Work Without Aid.**

**Talk of Making the Tax Rate \$1.65 Instead of \$1.60—Not Much Time Left Now.**

### THE BOARDS MUST HURRY.

It is likely City Clerk Henry Baley will be given an assistant for two months to aid him in making out the city tax bills. He has been delayed in getting at the work by the council's delay in passing the tax rate ordinance, and will need assistance to get the bills out in time. The tax rate ordinance is in the course of passage now, but it is not what was wanted by a majority of the boards. It is for a levy of \$1.60 and the boards want \$1.65. Two ordinances were in the hands of the ordinance committee at the council meeting last week, and the wrong one was brought in for passage. It is said, and now it will have to be amended, which will require several extra sessions to get it through.

Some members are afraid Paducah will have a \$1.85 rate again this year on account of the tangle the ordinance has gotten in, and base their claims on the assertion that the tax rate has to be fixed in March or the old rate holds, and as there is not time enough to rush the bill through this month, the old rate would stand unless the mayor calls several special sessions which they are not certain he will do. Others claim, however, that this is not the law.

It would be amusing, however, to some people if a \$1.85 rate was saddled on the taxpayers again this year. One thing is certain, there would be a comfortable sum in the treasury at the end of the year, for this council has made a sweeping reduction in the expenses of the city for the year.

## ACTOR E. J. MORGAN DIES SUDDENLY

Had Been in Ill Health for Sev-  
eral Weeks.

Was a Young Star of Much Ability  
and Promise, and Was Widely  
Popular.

IN PADUCAH TWO SEASONS AGO.

New York, March 12.—Edward J. Morgan, the actor, died Saturday at the Hotel Bellevue in this city. Mr. Morgan arrived at the hotel on Monday. He was found dead in his room Saturday.

Mr. Morgan's death was the result of heart failure.

Mr. Morgan's last appearance in New York was in a dramatization of Hall Caine's "Prodigal Son," which closed its season about the first of the year. From that time reports of his failing health have been heard and it was said at one time that he had lost his mind and was kept in a sanitarium.

About a month ago he was able to go to Chicago to join his wife, Helen Bertram, comic opera singer, who was filling an engagement in that city. Upon his return to New York, however, his health began rapidly to fail.

During his appearance as John Storm in "The Christian" and later in "The Eternal City," he became very popular. He was striking in appearance, tall, dark and handsome. He leaves, besides his wife, a little daughter.

Mr. Morgan was a morose, moody sort of a fellow, but was always admired for his exceptional ability. For several years he had been addicted to the opium habit which had undermined his health.

His first wife was Adelaide Cushman, grandniece of Charlotte Cushman, from whom he was divorced in Chicago in June, 1901. For some time thereafter the troubles of the two continued to appear in the courts. A year later Morgan appeared to the superior court of Cook county, Ill., for protection from his young wife, to whom he was paying alimony of \$25 per week. He charged that his wife followed him about in New York, threatened him, and abused him before his friends in many ways and interfered with his private life and business affairs.

In 1903 Morgan was married to Helen Bertram, a comic opera singer, who already had had two husbands. Her first husband was Sig. Tomassi, the musical director, who obtained a divorce and committed suicide. Her second husband, E. J. Henley, lost his power of speech after a short married life with Miss Bertram, and then became partly blind.

Wife Points on Hearing News.  
Galesburg, Ill. March 12.—Helen Bertram, leading woman of "The Gingerbread Man" company, which is playing here, fainted at the telephone in her hotel when informed of the death of her husband, Edward J. Morgan, the actor. She remained unconscious for more than an hour.

### Theatrical Notes

#### Robin Hood Tonight.

The well known comic opera, "Robin Hood," which is here tonight, was presented no less than two thousand times while The Bostonians were on tour during a period of over twenty years. This is remarkable when one considers that they had used a repertoire of dozens of operas. "Robin Hood" throughout the life of the organization known as The Bostonians, always maintained its record as the

At The Kentucky Thursday night.

most popular opera in their repertoire as well as playing to the most phenomenal receipts.

This season's tour of "Robin Hood" under the direction of The Aborn Production Co. has proven no exception to this rule, as the opera is playing to capacity houses nightly. "Robin Hood" should crowd the local playhouse to the doors tonight.

#### Robin Hood Takes Cairo by Storm.

The Robin Hood opera company arrived yesterday morning from Cairo, where it made a hit at two performances Saturday. It is a large company, and the members are distributed at the various hotels of the city. The Cairo Telegram says of its presentation there Saturday:

"The company is a large one, well costumed and good looking. But the Aborn company is not traveling on its good looks or reputation. There are real good singers in the cast and the music proved a real musical treat to those who were fortunate enough to be there.

"The parts are all in most capable hands and the chorus is one of the strongest and best appearing of the many that have graced the Cairo stage this year."

#### Concerning Eva Tanguay.

During the two hours and a half it takes to play "The Sambo Girl" Eva Tanguay is a particularly busy woman, as she has 12 changes of costume to make in that time. A special temporary dressing room is always erected on the stage for her use, as some of the changes have to be made in such a short space of time that it is absolutely necessary to save the half minutes lost in going to and from the regular dressing room. At The Kentucky on Saturday night.

#### The Eagles' Minstrel

The first full rehearsal of the Eagles' minstrels was held at The Kentucky yesterday afternoon. The orchestra and all end men and ballad singers were present and the rehearsal was a success.

From indications the minstrels will be by far the best local talent minstrels ever given here. The talent is the best and the greatest variety of specialties by local talent programmed for the afterpiece. There will be another full rehearsal on Tuesday night preceding the regular performance. The lodge intends to give a street parade the same as regular minstrels on the day of the show.

## Backache, "The Blues"

Both Symptoms of Organic Derangement in Women—Thousands of Sufferers Find Relief.

How often do we hear women say: "It seems as though my back would break," or "Don't speak to me, I am all out of sorts." These significant remarks prove that the system requires attention.

Backache and "the Blues" are direct symptoms of an inward trouble which will sooner or later declare itself. It may be caused by diseased kidneys or some derangement of the organs. Nature requires assistance and at once, and Lydia E. Pinkham's Vegetable Compound instantly asserts its curative powers in all those peculiar ailments of women. It has been the standby of intelligent American women for twenty years, and the best judges agree that it is the most universally successful remedy for women's ills known to medicine.

Read the convincing testimonials of Mrs. Holmes and Mrs. Cotrely.

Mrs. J. C. Holmes, of Larimore, North Dakota, writes:

Dear Mrs. Pinkham:— "I have suffered everything with backache and female trouble—I let the trouble run on until my system was in such a condition that I was unable to be about, and then it was I commenced to use Lydia E. Pinkham's Vegetable Compound. If I had only known how much suffering I would have saved I should have taken it months sooner—for a few weeks' treatment made me well and strong. My backache and headaches are all gone and I suffer no pain at my monthly periods, whereas before I took Lydia E. Pinkham's Vegetable Compound I suffered intensely."

Mrs. Emma Cotrely, 109 East 12th Street, New York City, writes:

Dear Mrs. Pinkham:— "I feel it my duty to tell all suffering women of the relief I have found in Lydia E. Pinkham's Vegetable Compound."

Ask Mrs. Pinkham's Advice—A Woman Best Understands a Woman's Ills.

Remember, every woman is cordially invited to write to Mrs. Pinkham if there is anything about her symptoms she does not understand. Mrs. Pinkham is the daughter-in-law of Lydia E. Pinkham, her assistant before her decease, and for twenty-five years since her advice has been freely and cheerfully given to every ailing woman who asks for it. Her advice and medicine have restored to health innumerable women. Address, Lynn, Mass.

## The Highest Salaried Baseball Players Who Adorn the Diamond of Today.

Who is the highest salaried baseball player in the world? That is the interesting question that has arisen since the report was sent out recently from Cleveland to the effect that Lawrence Lajoie had signed a contract for next season at a salary known to exceed that of any player in the National or American leagues.

Just how much Lajoie draws down under his contract is not known, but it is about \$7,500 a season, which is within \$2,500 of what the president of the largest bank in Germany gets a year, and is more than many American bankers receive for an entire year.

But the Cleveland claim that Lajoie's salary is "the biggest" is denied in other cities. Without furnishing figures to substantiate their assertions, Pittsburg declares that Fred Clarke receives a higher salary than that called for in Lajoie's contract, while the New York Nationals maintain that John McGraw, the scrappy one, is better paid than the Cleveland Frenchman and the New York Americans would have the fans believe that Willie Keeler is paid close around \$8,000 per season.

There are other names famous in baseball annals to confute with, and it is declared by their partisans that they also draw such princely stipends that they hesitate to make the figures public for fear of exciting national envy. Certain it is that Jimmy Collins gets his in large bunches and so likewise does Christy Mathewson and Hans Wagner, not to mention several others.

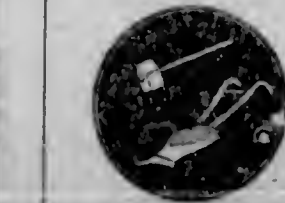

That these baseball stars are worth the money paid them is shown in two ways—first, in their playing and managerial ability; and, second, which is the "meat in the egg" to the managers, their great drawing power. Think of the effect the announcement that Mathewson is to pitch has upon the fans whose money supports the game, how they fill the cars leading to the park, almost fighting for the best seats. Then compare the lack of interest in the same fans when it is said that John Doe, from the Bushes, is to do the twirling.

The names of the great baseball stars are valuable drawing cards, just as the name of Mansfield raises the price in theaters where he is to appear, as the name of Roosevelt shines out over that of Parker, of Nelson over Hitt. They are the fellows who have "made good" who are at the top. Therefore they are entitled to the top price in the salary line.

J. W. Wootan, the well-known woodworker, now retired, residing at 1403 Burnett street, says: "I have a high opinion of Doan's Kidney Pills because they do just what is claimed for them. I have had kidney trouble more or less for 15 years. After trying a number of remedies that gave me very little relief, if any, I got a box of Doan's Kidney Pills at Alvey & List's drug store and began to take them as directed. I found them to be the very thing for my trouble. In a few days I noticed a great change in my condition. Before taking the pills my rest at night was greatly disturbed, but now I can go to bed and rest as peacefully as anyone. I give all the credit for this to Doan's Kidney Pills."

## FOUND DEAD

FLUNKY ON THE BUTTORFF A VICTIM OF ALCOHOLISM.

Andy McGhee, of Nashville, Had Not Been Sotter. It Is Said, for Over Three Years.

Andy McGhee, colored, age 23 years, was found dead in his bunk in the colored quarters on the steamer Buttorff this morning by one of the crew, and the coroner decided that death was caused by heart trouble superinduced by the excessive use of intoxicants.

McGhee lived in Nashville and had been running on the river for years. He was employed on the packet as "flunky," his duties being to wash dishes and do odd jobs about the boat. It is said by members of the crew that the deceased had been in a semi-intoxicated state for more than three years, and often had attacks of short breath or heart trouble.

The body was cold when found and it is presumed he had been dead several hours. Coroner Baker was called and took charge of the body, removing it to the Matthe-Effinger shops, where it is being held pending word from Nashville.

## SCHEDULE ADOPTED FOR KITTY LEAGUE

One Submitted By Cairo Boy Was Selected.

Paducah and Cairo Are to Have Nine Sundays and the Fourth of July "At Home."

SEASON FROM MAY 3 TO SEPT. 9

The Cairo Bulletin says of the league meeting at Centuria, Ill., yesterday:

Representatives from Cairo, Danville, Jacksonville, Mattoon, Paducah and Vincennes met at the Rexford hotel yesterday morning for the purpose of selecting a schedule for the Kitty league.

There were 15 schedules submitted for consideration, 12 of the number being drawn up in Cairo, one by a Vincennes player, one by a Paducah druggist and one by a Jacksonville man. The last three were quickly laid aside as they did not comply with the specifications in regard either to the opening or closing dates, alignment of teams, excessive mileage or the lack of an even break in Sunday and holiday games.

Tea of the 12 schedules from Cairo, while satisfactory to Cairo, Paducah and Vincennes, did not suit the three northern towns. This was expected from the first and attention directed to the deficiencies in them. The remaining two were gone over in detail and finally one drawn up by John H. Ladd after a mutual interchange of dates between Jacksonville, Danville, Mattoon and Vincennes, in which the first named was transferred two Sunday games for Labor day, was accepted unanimously and the Cairo boy awarded the prize of \$25.

The work of selecting a schedule was not altogether a very pleasant task, there being some friction developed, but which was quickly smoothed away.

Under the schedule Cairo and Paducah each have nine Sundays and the Fourth of July at home. They each play two Sunday games on each others' grounds, in consideration of the fact that the two cities have a minimum mileage they get one less Sunday game than the other cities, while the cities that have the greatest mileage get two holidays. The season opens May 3 and closes September 9. Cairo and Paducah open at home and close away.

A Cairo boy won the prize for the best schedule submitted at the Kitty league meeting yesterday. Bet ten to one we know who drew it up.

The Bert Haas bulletined by Secretary Marrell as with Austin, is not the Bert Haas signed by Paducah. We are glad of this fact as we think Bert a block too fast for Texas and want him in the Kitty.—Cairo Bulletin.

Harry Welch, formerly second baseman for the Hopkville team, has signed with Shawnee, Okla.

Charles Street, once the crack catcher of the Kitty league, has gone back into minor league company, and is with San Francisco. He did not make good with the big leagues.

## E. O. EVERTZ.

Will Be Made Electrical Inspector Regularly.

Alderman W. T. Miller stated this morning that the committee would draft an ordinance or resolution this week ratifying the action of Fire Chief Wood in appointing Frank O. Evertz to the office of wire inspector for the city of Paducah, the officer being really an assistant to Chief Wood who is the real city electrical inspector, made so by ordinance.

This means that Evertz will be the inspector and will be regularly employed as such after the next meeting of the boards.

Mr. Evertz is now at his home in St. Louis but is expected back in a day or two. He had not removed his family here because he had received no assurance that his appointment would be made permanent.

He has made an excellent official since his residence here and his many friends will be glad to learn he is to remain.

## Daily Thought.

"The way to reach one's goal is to drive ahead."

## WHERE WERE THE FRIENDS OF THE PEOPLE?

Speaking of the state democratic machine, things seem to be going its way. The railroads and express companies are to be in the hands of a commission, the charitable institutions in the hands of a commission, the ruling in charge of a commission, and most everything else in charge of a commission. The democrats profess to be opposed to a concentration of power, yet their whole tendency in Kentucky during the present session of the legislature, has been to take public affairs out of the hands of the people and place them in the hands of a few, and these few always belong to the machine. And there hasn't been a protest!

They even decided that the city of Paducah was not capable of judging how many police officers it needs, and passed a bill forcing it to maintain thirty. Where were the mighty local forces of "the common people" during this outrage? The mayor and the police commissioners of Paducah have virtually admitted that Paducah does not need thirty patrolmen, by declaring that they would not put on thirty this year; yet they didn't raise a protest when the bill was pending in the legislature. Neither did any one else from democracy's ranks. Instead, the mayor is understood to have written to Frankfort urging the bill's passage, knowing that it meant an additional cost of \$7,000 a year to the taxpayers.

Where were all those patriots who are always trying to pose as such good friends of the people? We repeat.

Probably they were at home straining at a gnat to swallow a camel. They were doubtless too busy trying to prevent the general council from saving the people several thousand dollars a year on their light bill, to pay any attention to this \$7,000 hold-up in the police bill.

The municipal ownership factor at Henderson seems to be trying to play its usual game. It is figured that the gas plant owned by Henderson, lost \$15,222.35 last year, or a net loss of over \$11,000. A writer in the Henderson Gleaser says: "In last Sunday's issue it was stated that the losses of the gas plant in 1905 aggregated \$15,222.35, and after \$2,924.99 in excess leakage, and \$1,000 in tar wasted was deducted, there remained a net loss to the city in the sum of \$11,297.36. The items of expense are as follows: Total cost of running plant, \$19,729.20; depreciation of 10 per cent. on estimated value of plant, \$10,000; interest on the investment, at 4 per cent., \$4,000; value of excess leakage, \$2,924.99; value of tar wasted,

\$1,000, and state and county taxes, \$220. The total expense to the city, including leakage, depreciation, tax, waste, etc., being \$37,225.52. Subtract receipts, \$19,413.17, and cost of new lot of ground and extensions, \$2,680, from the aforesaid sum and there will be left losses of \$15,222.35, or a net loss of \$11,297.36." In Henderson they do not even want an investigation. It seems, to bring out the facts. This is usually the case. The cry is always, "Oh, the city CAN operate its utilities well." Yes, a city can, but how often does it?

The Frankfort State Journal does not believe that the normal school bill is constitutional, and declares: "A gentleman who has given the matter much consideration, thinks that the bill establishing the Normal schools is unconstitutional. Section 183 of the Constitution provides that 'the general assembly shall, by appropriate legislation, provide for an efficient system of common schools throughout the state.' The establishment of Normal schools may be necessary to an efficient system, but a provision in the next section, 184, says that 'no sum shall be raised or collected for education other than in common schools until the question of taxation is submitted to the legal voters and the majority of the votes cast at said election shall be in favor of such taxation.' It seems easy enough to put the two together and declare that until the question is properly submitted to the legal voters of the state the Normal schools must wait. At any rate, we hear that the question of the constitutionality will be raised against the bill and that the court of appeals will be asked to decide the matter."

Paducah may have another hotel. The growth of the city is rapid, and all that is needed is to relegate the old fogies and their ilk to the back-ground and march on. The progressive men of the city have already accomplished wonders, and are on the trail of many other good things. They are doing a great good in spite of constant opposition. They are fighting a fight that has to be fought in every city before it can rank with the best, and they are slowly but surely winning out all along the line. Greater Paducah is a thing of the near future, and in a few years those who now try to impede the city's progress will be unknown and forgotten.

Home Coming week promises to be one of the most remarkable in Kentucky's history. The idea may have been conceived as a joke, but it is certainly no joke now. People from every part of the country are writing for rates, and there will be visitors from every state in the union and hundreds from some of the states. The affair has assumed such gigantic proportions that we are beginning to wonder what we are going to do with all our guests. They will all be taken care of, however.

## PARK BOARD WILL BE APPOINTED SOON

Under the New Bill 5 Cents On \$100 May Be Levied.

The Mayor Favors a Park of 100 Acres As a Starter—It Must Be Accessible.

## THE COUNCIL WILL CO-OPERATE

The mayor na, a new board to appoint, park commissioners. Under the law just passed by the legislature, a park board is created for second class cities, and is to be composed of five members, who will have charge of the park system of the cities. A tax of 5c on the \$100 can be levied to raise funds for the commission.

The mayor is very much interested in the new bill, and wants to secure one or two good parks for the city. A few years ago he appointed a commission to look at the available sites around the city, and it was done, but as he had no authority to purchase them, nothing was done at the time.

The new council, however, has promised to take care of the park question and make an appropriation for a site, as a starter, they say. A number of the aldermen and councilmen have been looking around for sites, and so, too, has the mayor, but he will probably wait now until he has studied the bill and appointed his commission before anything definite is done.

"We should like to have a park of about 100 acres," said Mayor Yeiser today, "and we want it easy of access. That is one of the essentials, in my opinion." A 5c tax would give the park commission \$5,000 a year, which would go a long way toward keeping up the parks. The property could be bought this year and paid for in yearly installments and in this way the burden would be light and this, no doubt is what will be done.

## BROUGHT \$6,000

HESSIG DISTILLERY AND 9,000 GALLONS WHISKEY SOLD.

Phil Stephen Bought It—Other Property Sold By Master Commissioner.

Master Commissioner Cecil Reed sold the Hessig distillery, and machinery and 9,000 gallons of whiskey this morning at commissioner's sale at the court house, and it was purchased by Phil Stephen for \$6,000. This property was sold at commissioner's sale once before and brought \$9,000 but the purchaser failed to comply with the terms of the contract and it was ordered resold.

The commissioner also sold the following other property:

The residence of the late W. H. Weeks, at 21st and Jefferson for \$4,300. It was sold under a suit to wind up the estate, and was purchased by Mrs. W. H. Weeks.

In the case of Diehl vs. Lawrence Dallam, a lot on Third between Clark and Washington was sold and bought by H. Diehl, Sr., for \$400.

In the case of Turnbow vs. Sarah Brown, the property at Seventh and Tennessee was sold and bought by J. P. Sleeth for \$780.

A telephone message from Smithland today states that D. Smith and L. McCandless were tried at Salem Saturday for alleged violation of the local option laws on several counts, and fines and costs amounting to \$949 were assessed against them. They were taken to Smithland today, but it is understood will replevin their fines and be released. There has been a great deal of interest in prosecutions for alleged violations of this kind, and week before last in two trials at Salem the jury was unable to agree. It is understood an effort will be made to have the trials transferred to Smithland in the future, as some of those who like their toddy occasionally sometimes manage to get on the jury.

## SHORTAGE OF LABOR ON STEAMBOATS

Stacker Lee Could Not Get Them at \$50 a Month Each.

One of the Combine Towboats Is Burned and One Life Reported Lost—Loss \$20,000.

## BRIEF NEWS OF THE RIVERS.

The Ohio river boats are all carrying much freight, but are having more than unusual trouble in securing labor. The Stacker Lee landed here yesterday with only a few roustabouts. The boat made a strenuous effort to secure rousters at points up the river, but labor was at a premium and not available. The captain offered several negroes, who were around the Owensboro wharf \$50 a month to make the trip to Memphis with the boat, but they smilingly refused to allow so much money to tempt them. The several rousters who were working were suffering from overwork and exhaustion, they not having enjoyed ten hours' sleep since leaving Louisville. The mate was disposed to let them take their time in carrying the freight, and the rough language generally used to make the negroes hustle, was dispensed with.

## To Build Snagboat.

Vicksburg, Miss., March 12.—G. Mr. Hoffman, captain engineers, P. S. A. in charge of the river district, opened bids for two snagboats for use on the Yazoo and Oldriver rivers. The bids were: E. J. Howard, Jeffersonville, Ind., one boat, \$12,483; two, \$81,968. Thos. M. Reeves, Pittsburg one boat, \$65,000; two boats \$129,600. M. A. Sweeney, Shipyard and Foundry company, Jeffersonville, one boat, \$54,840; two boats, \$107,500. The specifications call for stern wheelers, flat bottomed with 21 water-tight compartments. Measurements, 137 feet long 32 feet beam, live-foot draft, with engines 12-cylinder, six-foot stroke and fitted throughout with electric lights.

## Combine Towboat Sank.

Pittsburg, Pa., March 12.—The towboat Thomas Isale was sunk very suddenly Saturday night by striking a rock in the Monongahela river about 150 feet from the Bradock, Pa., wharf. Christina Dempsey, a chambermaid, said to be a sister of Jack Dempsey, the pugilist, was drowned, and Capt. Sam Morcom, sustained a broken arm while endeavoring to save the girl, who jumped overboard immediately following the accident. Twelve other members of the crew had narrow escapes from drowning, and the towboat sank two minutes after striking. The towboat Isale was owned by the Monongahela consolidated Coal and coke company and was valued at \$29,000.

#### Bishop's Coming.

The coming of David Bishop is awaited eagerly by those who are familiar with the work of this great American baritone; and as the singer's fame has extended wherever lovers of concert, opera and oratorio exist, there need be no doubt as to the numbers ready to greet him on his arrival here the 21st under the auspices of Matinee Musical club.

## THREE DOLLAR FINE

FOR T. R. NEWTON, WHO STRUCK  
BOY WITH WHIP.

The Singleton-Howard Breach of the Peace Case Comes Up This Week.

Police Judge D. L. Sanders held an uninteresting session of police court this morning. The docket was light and there were few cases of importance.

T. B. Newton, white, who resides on the Benton road, was fined \$3 and costs for a breach of the peace. He was driving home on North Sixth St. Saturday when John Campbell, Jr., about seven years old, asked for a ride behind his wagon. Newton made no reply. The youth climbed up and Newton turned and lashed the boy with his whip. He stated that he thought the boy might get hurt and struck him to compel him to get off.

The case against Col. Gus Singleton and Capt. Dick Howard, for fighting, has not been docketed. The condition of both participants is better, but the former is out of the city. The case will likely come up this week but the date has not been decided.

Omer Clark, white, was held over for stealing a bicycle and selling it as his own property.

Mary Thomas, John Griffin, Robert Ruff and Sallie Thomas, colored, were fined \$20 and costs each for immorality.

Other cases were:

Tonia Clark, white, drunkenness, \$1 and costs; Arthur Cox, white, drunk and disorderly, \$5 and costs on motion of the prosecution.

## COLD WAVE

TEMPERATURE DROPPED TO  
FREEZING POINT LAST EVE.

A cold wave struck Paducah yesterday afternoon about 5 o'clock. It was not unexpected by those who keep up with the weather reports, however, as Observer William Borneman had received a telegram in the morning predicting exactly the change experienced.

Observer Borneman received before noon a telegram reading "Itain turning to snow followed by cold wave. Temperature will fall to 15 degrees above zero Monday."

Early in the evening a fine rain set in and it turned to snow flurries. The mercury continued to drop and reached a minimum of 25 degrees above zero at an early hour this morning. The highest yesterday was 67 above.

We are supposing to be getting a taste of the cold weather which swooped down on both east and west Saturday. New England has one of the worst snows of the year, and there is a blizzard through the west.

#### Remains Taken to Marshall County.

The remains of Thomas Odgen, the car repairer killed by being crushed between two cars Saturday, were taken to Elva, Marshall county, yesterday and carried overland to the graveyard at which the burial took place.

Yesterday short services were held at the residence at No. 10 Huntington Row in order that Paducah friends might attend. The body was this morning removed to the N. C. and St. L. depot and placed on the train. A committee of eight from the Macabees and four from the Carmen Brotherhood accompanied the remains to their last resting place.

#### Postal Wires Down.

The Postal Telegraph company wires south were down this morning connections being disarranged by a fire at Halls, Tenn., which destroyed the Illinois Central railroad depot.

## People and Pleasant Events

#### Magazine Club This Week.

The Magazine club will meet on Thursday afternoon with Mrs. Geo. C. Wallace on North Seventh street. The quotations will be from Sir Walter Scott, and the magazines for discussion are the March numbers of Harper's, North American Review, Atlantic Monthly, The Outlook, Hubbard's Journeys, McClure's, and Literary Digest.

Mrs. Will Lydon and daughter Maggie, have returned from Cairo, where they have been visiting for the past three weeks.

Mr. Dave Reeves, of Benton, returned home this morning after a several days' business trip in the city.

Mr. and Mrs. G. W. Woolford, of Prondale Mo., are visiting the latter's daughter, Mrs. A. R. Hall.

Mr. Bennie Frank went to Chivert City this morning on business.

Mr. Gus Singleton has gone to Clarksville to visit for a few days.

Mr. Gardner Gilbert returned from Mayfield this morning.

Miss Bernice Roark will return to her home in Central City tomorrow after a visit to Mrs. N. M. Matlock, of South Tenth street.

Miss Katie Lee who has been visiting her cousin, Miss Bertha Crawford, has returned to her home near Rugland, Ky.

Mr. Henry Dryfus left for New York City yesterday afternoon on business.

Mrs. H. B. Griffith has been very ill but is much better.

Mr. E. P. Noble and wife and Hon. Chas. Reed left yesterday for Chicago to remain several days.

#### MERE FORMALITY

Will Be the Congressional Meeting Here Thursday.

The First congressional district democratic committee will meet on Thursday to consider holding a primary to nominate a candidate for congress. As there is no opposition to Congressman Ollie James, the committee will follow the precedent of previous years, and order a primary for a certain date and in the event no candidate aside from Mr. James announces, he will be declared the nominee.

Col. Mott Ayers, of Fulton, is chairman of the committee, and Judge W. A. Berry a member from this county. Congressman James left Washington last week and is expected to attend the meeting.

#### Bankruptcy Notice.

In the District Court of the United States for the Western District of Kentucky, in bankruptcy.

In the matter of Clarence S. Williams a bankrupt.

On this 12th day of March, A. D. 1906, on considering the petition of the aforesaid bankrupt for discharge filed on the 10th day of March, A. D. 1906 it is ordered by the court that a hearing be had upon the same on the 24th day of March, A. D. 1906, before said court at Louisville, said district, at 10 o'clock in the forenoon, or as near thereto as practicable; and that notice thereof be published one time in the Paducah Sun, a newspaper printed in said district, and that all known creditors and other persons in interest may appear at said time and place and show cause, if any they have, why the prayer of the said petitioner should not be granted.

Witness the Honorable Walter Evans, Judge of the said Court, and the seal thereof, at Paducah, in said District, on the 12th day of March, A. D. 1906.

J. R. PURYEAR, Clerk.

#### Poor "Nig" Is No More.

"Nig" died today shortly after noon at the home of Mr. A. J. Roth, 915 Trimble street. "Nig" was a dog, and a black one, and for several years had been too feeble to leave the house. He formerly belonged to the late Squire J. W. Little, and is no doubt remembered by many people as the dog that used to follow him all the time. Before the squirrel died he gave the dog to Mr. Roth's family, and the animal was over 16 years old at the time of its death.

#### Wanted to Know.

The Rev. Sylvester Horne has a billiard room at Whitefield Tabernacle, London, says the Ram's Horn, and he says it has been the best recruiting ground for his church.

## IN THE COURTS

Taken to Smithland for Trial.  
Nancy Hockenberry, Eddie Knight and Mary Shoemaker, the three girls who ran away from Smithland Saturday morning with Dave Council's stuff, and came to Paducah to seek work, were taken back to Smithland late Saturday afternoon by Marshal Steve Kendall to answer to the charge of larceny, and committed to jail.

The girls claim the boat they confiscated was winter soaked, full of ice and not worth \$3. They admit taking the boat and say they are willing to stand trial but will not have to answer to grand larceny because the boat was of less than \$20 value.

The date of their trials has not yet been fixed.

#### Deputy Marshal Still Busy.

Deputy U. S. Marshal Wade Brown returned Saturday night from Lyon county where he had been on official business. He will have to return this week to finish serving civil summons on witnesses in suits.

#### Discharges in Bankruptcy.

Thomas E. Davis and W. E. Ellis, the former of Wingo and latter of the city, were today granted discharges in bankruptcy.

#### Benton Circuit Court.

Circuit Judge Wm. M. Reed returned to Benton this morning to resume the Marshall circuit.

The grand jury has indicted Pete Anderson, white, for the alleged detaining of a woman named Ruda several months ago. The man is the son of Bud Anderson who was sentenced to be hanged for murder, but who escaped from jail before the execution. The case against the defendant will not be tried this term.

Judge Reed expects to hold court only a few days longer and the grand jury will be dismissed probably today. All indictments returned this term of court are for minor offenses.

#### Licensed to Marry.

Jesse R. Starks, age 23 and Nina Starks, age 21, of Hardin, Ky., were licensed to marry late Saturday.

J. W. Chynnaugh, age 32, of Hopkinsville and Myrtle Clinton, age 21, of the city, were licensed to wed.

#### County Court.

## THE MINE WORKERS ELECT OFFICERS

Only One of the Salaried Officers Was Re-elected.

Debate on Giving Colored Members Representation on List of Salaried Officers.

ADJOURNMENT ON WEDNESDAY.

Louisville, Ky., March 12.—The election of officers for the next fiscal year of United Mine Workers of District No. 23 resulted as follows:

C. Barnaby, of Sturgis, district president.

W. O. Smith, of Bevier, district vice president.

C. M. McCarty, of DeKoven, district secretary-treasurer.

District Auditors—J. F. Everly, of Island; Albert Leach, of Taylor; J. T. Browning, of Bevier.

National Board Members—Chas. W. Wells, of Central City.

District Board Members—C. C. Wodburn, of Island; E. T. Render, of Drakesboro; E. D. Frazier, of Drakesboro; W. L. Richardson, of Bevier; E. S. Dunn, of Fordsville; J. H. Haskins, of Central City; Thomas O. McCarty, of Spottsville.

C. M. McCarty, secretary and treasurer of the district, was the only salaried officer who was re-elected. Charles W. Wells, who retires as district president, was honored by the office of national board member, which is also a salaried and at the same time a very important office. The office has been held for the last two years by W. J. Campbell, a negro. The fact that no negro was nominated for any office this year was the source of heated debates. The probability is that the committee on constitution will recommend an amendment whereby it will be compulsory on the part of the convention to give at least one of the four salaried offices to a negro. Out of 4,000 union miners in the district, 1,500 are negroes.

Although the constitution committee did not report, the question of fuller representation for negroes on the list of officers was still rampant, and will likely be the cause of further debate. The officers were elected under the old system, and one auditor and two members of the district board members elected are colored men.

Many committees are expected to report today. Adjournment will be taken Wednesday afternoon, and most of the delegates will then go to Indianapolis to attend the international convention, where the new scale of wages will be decided on.

### The Breath of Life.

It's a significant fact that the strongest animal of its size, the gorilla, also has the largest lungs. Powerful lungs means powerful creatures. How to keep the breathing organs right should be man's chiefest study. Like thousands of others, Mrs. Ora Stephens, of Port Williams O., has learned how to do this. She writes: "Three bottles of Dr. King's New Discovery stopped my cough of two years and cured me of what my friends thought consumption. O, it's grand for throat and lung troubles." Guaranteed by W. B. McPherson, druggist. Price 50c and \$1.00. Trial bottle free.

### Dog Bites a Child.

A dog belonging to J. M. Gearty, while playing with Henrietta, the 7-year-old daughter of James Pruett, a ship carpenter at 1002 Trimble St., lost its temper late Saturday and bit the child on the right arm. Dr. Pendley was called and dressed the injury which is not serious.

### Well Worth Trying.

W. H. Brown, the popular pension attorney, of Pittsfield, Vt., says: "Next to a pension, the best thing to get is Dr. King's New Life Pills." He writes: "they keep my family in splendid health." Quick cure for Headache, Constipation and Biliousness 25c. Guaranteed at McPherson's drug store.

### Broke An Arm, But Didn't Fall In.

George Jackson, who lives up about Duck's Nest, above Mechanicsburg, had his left arm broken by slipping and falling on the river bank as he was on his way to Paducah late Saturday. Dr. J. W. Pendley attended him.

### NEEDLESS ALARM.

Here's a poor man coughing away his lungs—at least so his relatives think.

It's cough, cough, hack, hack, hack; all day and some times all night.

"Must be consumption," think the alarmed ones.

And of course, there is always a possibility that they may be right.

But in most cases, they're wrong; because Dyspepsia is so much more common than consumption.

And dyspepsia causes chronic cough, just like consumption.

The dyspeptic cough. It is well to remember, can be quickly cured by Stuart's Dyspepsia Tablets.

No need to be alarmed about it, unless you make up your mind to neglect it.

Then, indeed, you must look out for danger; for the Dyspeptic cough often grows into a consumptive cough if neglected, by the constant lung irritation which it causes.

So the best way is to waste no time, but begin at once the use of these famous tablets, the timely use of which has saved many a sick person from ending in a consumptive's grave.

Remember, however, if you please, that Stuart's Dyspepsia Tablets will positively NOT cure consumption, but prevent it.

Of course, they can always be depended on to cure all the other symptoms of indigestion.

They are a universal cure, for one universal disease.

They cure nothing else; but what they do, they do thoroughly and well.

Stuart's Dyspepsia Tablets are the result of the most thorough investigation into the inside causes and the cure, of indigestion, that has ever been attempted.

They have solved a problem, the answer to which a hundred thousand physicians in America are today groping for in vain.

They cure the most severe, long-continued chronic, complicated cases of indigestion that can be found. They are far ahead of the most modern medical practice, because the most successful physicians of the day in the cure of disease of the digestive organs are using Stuart's Dyspepsia Tablets as a basis for their success.

They stoop to Stuart's to conquer. And Stuart's lift them up, out of the rut.

If, therefore, you are a victim of this dread disease, which counts its victims by the million. Brace up and take new heart, for you cannot fail to cure your trouble, if you will only put your faith in this great remedy, Stuart's Dyspepsia Tablets.

They are positively, frankly, truly, a sure and permanent relief.

Try them. Book on Dyspepsia free. Address F. A. Stuart Co., Marshall, Mich.

### SING SING PRISON

Will No Doubt Soon Be Abandoned After Nearly a Century.

New York, Mar. 12.—The abandonment of the state prison at Sing Sing, which has been under discussion for years, now appears a certainty in view of the recommendations in the report just made to the governor by the state prison improvement commission. The prison, which has been in existence for nearly a century, is by far the best known in the western world.

Within its walls many men of note have suffered for their crimes. Many murderers have died there—those of early days on the scaffold, the latter ones in the dreaded electric chair. Its death house, a separate group of tiny steel cells, has held men who made desperate legal fights for life. Some of them were successful, among them Roland H. Molineux.

Its best-known inmate at present is Albert T. Patrick who is making the same fight for life that Molineux made, and many believe that its result will be equally successful.

Today there are nearly 1,500 inmates in the big prison. Among them are financiers, corrupt politicians, dishonest lawyers, murderers, and thieves big and little.

Invitations and wedding announcements are a specialty of The Sun's job department with prices lower than elsewhere.

Efforts to Extinguish Burning Gas Were All Futile.

A Minnesota Man Claims to Have Solved the Phenomenon of the Aurora Borealis.

15,000 PEOPLE SEE A WEDDING

Caney, Kan., March 12.—After 5 days of preparation for putting out the fire at the burning gas well, five miles southeast of Caney, the first attempt by the chief engineer and his corps of assistants resulted in a complete failure.

The gas company had a hood made in the shape of an inverted jelly glass. The hood was carried by the crane to within about 20 feet of the flame, when one of the axles under the crane gave way and dropped the hood so close to the burning well that it became red hot in a very few minutes. This will delay attempts to control the flames several days.

### Cause of Aurora Borealis.

St. Paul, Minn., March 12.—G. P. Reina of Ruthon, Minn., claims to have discovered the cause of the aurora borealis. He declares that the northern lights are caused by the sun shining from the other side of the earth through snow storms in the arctic circle. Light thus reflected from the myriads of floating crystals of snow is then reflected to the portion of the sky where it can be seen by persons far to the south, in more temperate zones.

### Actor Joins Army.

Columbus, O., March 12.—Gavin Harris, an actor at the Empire theater, son of the late Congressman Harris and worth \$50,000, joined the 3rd company of the coast artillery at the barracks. He said he joined the army to get away from gay companions and to lead a quieter life.

### Widow Had \$21,800.

Ablene, Kan., March 12.—Mrs. Margaret Londrogon, a widow, living alone near Chapman, 12 miles east, died Tuesday. Cleaning up her house, in a closet of her bedroom, beneath a heap of old clothing, was found \$21,800. Much of it had been there for years, apparently. There are no relatives.

### Came to Life After Six Hours.

New Cambria, Mo., March 12.—A sensation was created in the country eight miles northwest of this place by the announcement of the return to life of Mrs. Jerome Griffin. Mrs. Griffin had been dead six hours and preparations for the funeral had been made when the startling discovery that life still existed caused the greatest consternation. Her condition is critical; being very weak, complete recovery is doubtful. Mrs. Griffin is the mother of 13 children and has suffered serious illness for some time.

### His Fingers Burst.

Fort Worth, Tex., March 12.—A glory comes from Ysleta, in El Paso county, of the treatment accorded an old man named Anthony Madine, who was discovered leading a horse out of the town. He was arrested and bound to a tree, where he remained all night and until his fingers burst from the tightness of the thongs placed about him and his blood ran on the earth. He was released this morning, but was a raving maniac, and had to be taken in charge for lunacy.

### 15,000 People See Wedding.

Evansville, Ind., March 12.—Miss Ora D. Williams and George P. Leifers were united in marriage at 3 o'clock Saturday afternoon on top of a smokestack. The ceremony was performed by Rev. Charles Armstrong, pastor of the Emmanuel Presbyterian church, and it is estimated that 15,000 people saw the wedding from the streets below and from the top of houses. The stack is 222 feet high.

### Starving to Death.

Because her stomach was so weakened by useless drugging that she could not eat, Mrs. Mary H. Walters, of St. Clair St., Columbus, O. was literally starving to death. She writes: "My stomach was so weak from useless drugs that I could not sleep; and not before I was given up to die was I induced to try Electric Bitters; with the wonderful result that improvement began at once, and a complete cure followed." Best health tonic on earth. 50c. Guaranteed by W. B. McPherson, druggist.

Civil Service Examinations This Month and Next.

Four examinations for eligibility to appointments in the civil service were announced through business received at the local office yesterday.

Two of these examinations will be held March 7, and will be to secure eligibles for firemen in the state, war and navy department buildings, at \$720 a year, and for laboratory assistants in the bureau of standards, at \$1,000 a year. Applicants for the former positions must be skilled workers in copper and brass, and those for the latter must be qualified in practical optics, and skilled in such work as glass grinding and lens making.

An examination will be held March 14 to secure eligibles from which to make a certification to fill a vacancy in the position of marine fireman, \$540 a year and rations,

quartermaster's department-at-large Fort Morgan, Ala., steamer Gen. Hatchelder, and vacancies in the service as they may occur.

The fourth examination will be held March 21-22, and will be to secure eligibles for positions of copyists in the bureau of pensions at a salary of \$300 a year. Only male graduates of recognized medical schools may be examined, as the eligibles must have a knowledge of medicine.

Examinations for Kentuckians will be held in Louisville, Lexington and Paducah.

(Continued from yesterday.)

Mrs. Kelly explained: "Rob is dyin' for lack of sleep. That's the truth. He wouldn't leave the boy, and after ridin' all the day and the night before. But come now, have some tea—both. My mind is easier since the doctor came. Sure I know he will check the fever, never fear that."

Raymond soon put down his cup and rose. "Your drink has done me good, Nora. I will go back to the doctor and see if he needs help. You stay here," he said to Ann, and his voice was intimate and tender. "I will report at once."

When he re-entered a few moments later his tone was cheerful. "The doctor has made his examination and is confident of heading off pneumonia." Ann's face lit with joy. "Oh, did he say that?" She reached both her hands to him. "Now you can go to sleep. I will watch tonight."

Together they returned to the bunkhouse, and Raymond, after a moment's conversation with Brade, threw himself on his couch. "Ah, this seems good," he exclaimed to Ann and fell asleep almost instantly.

She drew the robe over him with careful hands and turned to Brade. "I'm so grateful to you, Dr. Brade. You are to eat supper with the Kellys. I think you would better go over to the house now. I will stay with Louis."

He protested against this, but she had her will. "In case he grows restless," he said at the door, "call me. However, I will return in half an hour probably."

A suffocating throb of tenderness rose in Ann's throat as she bent above Louis' flushed face and listened to his troubled breathing. Raymond lay in profound slumber, his face in shadow, but his presence was most palpable and appealing.

Nora came softly in. "Ann, dear, the supper is on the table. Go you along and eat. You're needed to keep the peace."

"Peace between whom?"

"Mumra and Matt."

"Is Mumra there?"

"He's waiting to see you. Keep him from Matt; he's in a bad temper to night."

Ann went out with a wrinkle of vexation on her brow.

Mumra was waiting just outside the door in the clear, yellow dusk.

"How is the boy?" he asked as she drew near.

"He is better, thank you."

"I'm mighty glad to hear it. I was worried about him on my own account. You say he was brought to me by one of my visitors, and he had a great deal of information I kept him with me."

"I hope you didn't ask him to betray his friends?"

"He was ready to talk."

"You shouldn't have listened. He is only a boy."

"It is no more than fair, lady, that one member of your household should be loyal to labor." His eyes turned into hers as he bent toward her. "What has changed you toward me?" he asked, with stern abruptness. "You give me nothing but 'murderous' looks."

## The Best Guaranty of Merit Is Open Publicity.

Every bottle of Dr. Pierce's world-famous medicine, leaving the great laboratory at Buffalo, N. Y., has printed upon its wrapper all the ingredients entering into its composition. This fact alone places Dr. Pierce's Family Medicine in a class all by themselves. They cannot be classed with patent or secret medicines because they are neither. This is why so many unprejudiced physicians prescribe them and recommend them to their patients. They know what they are composed of, and that the ingredients are those endorsed by the most eminent medical authorities.

The further fact that neither Dr. Pierce's Golden Medical Discovery, the great stomach tonic, liver invigorator, heart regulator and blood purifier, nor his "Favorite Prescription" for weak, overworked, broken-down, nervous women, contains any alcohol, also entitles them to a place all by themselves.

Many years ago, Dr. Pierce discovered that chemically pure glycerine, of proper strength, is a better solvent and preservative of the medicinal ingredients entering into our indigenous, or native, medicinal plants than is alcohol; and, furthermore, that it possesses valuable medicinal properties of its own, being depurative, nutritive, antiseptic, and a most efficient anesthetic.

Neither of the above medicines contains alcohol, or any harmful, habit-forming drug, as will be seen from a glance at the formula printed on each bottle wrapper. They are safe to use and potent to cure.

Not only do physicians prescribe the above, non-secret medicines largely, but the most intelligent people employ them—people who would not think of using the ordinary patent, or secret medicines. Every ingredient entering into the composition of Dr. Pierce's medicines has the strongest kind of an endorsement from leading medical writers of the several schools of practice. No other medicines put up for like purposes has any such professional endorsement.

Dr. Pierce's Pleasant Pellets cure constipation. Constipation is the cause of many diseases. Cure the cause and you cure the disease. Due "Pellets" is a gentle laxative and two mild cathartics. Dr. Pierce's "Pellets" are "just as good." Easy to take as candy.

ly, three others, deeper throated, answered in quick succession. Then silence again intervened for a moment, only to be torn by a fusillade, a rattling of assault which brought Brade to his feet.

Ann hurried to Raymond, calling sharply. "Rob, they are shooting! Don't you hear them? Quick! Quick!"

Raymond rose to his feet dizzily and looked at her blankly, the mist of sleep thick in his brain. Other shots and cries followed, and though faint and far they cleared his vision. Catching a belt of cartridges from the wall and turning to Brade he sternly asked, "Can you shoot?"

Before Brade could answer another shrill chorus of yells, there in the entry of wolves, arose, a vivid light filled the room, and it seemed later a dull concussion shook the earth beneath their feet. Ann shrieked and covered, but Raymond, mechanically quiet, remarked: "Well, our turn has come. They've blown up our shaft house."

"Oh, no," cried Ann. "They wouldn't do that. They aren't so bad."

"That's what they've done," he bitterly assured her. "Then a thought entered his mind which staggered him. 'The men—the men were in the mine!'"

He shouted and rushed into the darkness.

Ann heard his blows upon the door of the other cabin as he called: "Boys, roll out! The power house is blown up! The men are in the mine! Quick, out with you! Buckle your guns!"

Then the girl recognized Kelly's great voice. He was calling as he ran, "Rob, are ye there?"

"Yes! I'm rousin' the boys."

"It's the shaft house."

"It looks that way."

"And the men, lad; the men!"

## SIXTH YEAR

ROUNDED OUT IN JAIL BY CALEB POWERS.

Political Prisoner Is in Good Health and Spirits and Hopes for Freedom.

Louisville, Ky., March 12.—Caleb Powers Saturday completed six years in Kentucky jails. He was arrested at Lexington March 10, 1900, on an indictment from the Franklin circuit court charging him with complicity in the murder of Wm. Goebel, and on March 10, 1906, he is in jail at Newport waiting for the supreme court to say whether he shall be tried in the state courts or the United States court next.

Powers has been tried three times in state courts. Twice he was sentenced to life imprisonment and the last time to death. Each time the court of appeals reversed his sentence. Before he could be tried a fourth time his attorneys went into the federal court with the plea that in the Kentucky courts their client was being deprived of rights guaranteed him by the constitution of the United States. Judge Cochran of the United States court for the eastern district of Kentucky assumed jurisdiction. The commonwealth has taken the case into the supreme court, asking that it be sent back to the state court.

Another point that is involved is the validity of the pardon that was granted to Powers by W. S. Taylor. His attorneys claim that this must be recognized, since the United States had at that time recognized Taylor as governor of Kentucky. This was brought about by a request from the postmaster at Frankfort for advice as to whom to send mail addressed to "The Governor of Kentucky." This was considered at a cabinet meeting, with President McKinley in attendance, and it was decided that such mail should be sent to Taylor. Powers is the most famous prisoner in the United States. His case has attracted world-wide attention. Despite his long imprisonment, he is in good health and spirits, due to his system of exercise and work. His years in prison have been spent in the jails of Louisville, Lexington, Frankfort, Georgetown and Newport.

Invaluable For Rheumatism.

I have been suffering for the past few years with a severe attack of rheumatism and found that Ballard's Snow Liniment was the only thing that gave me satisfaction and tended to alleviate my pains. March 24, '02; John C. Degnan, Kinsman, Ills. 25c, 50c and \$1.00. Sold by Alvey & List.

180,000 Eggs Shipped in One Day.

Mayfield claims to be the greatest egg market in this section. Friday, according to the Mayfield papers, 15,000 dozen eggs were shipped, a total of 180,000 eggs. The eggs brought \$1.725. About two car loads of chickens are shipped out of Mayfield on an average, every week.

The Best Cough Syrup.

S. L. Apple, ex-Probate Judge, Ottawa, Co. Kansas, writes: "This is to say that I have used Ballard's Horehound Syrup for years, and that I do not hesitate to recommend it as the best cough syrup I have ever used." 25c, 50c and \$1.00. Sold by Alvey & List.

N. C. & St. L. Has a Park.

The N. C. & St. L. is making a nice park on the north side of Norton street near its depot. One hundred ash trees have been set out and walks have been laid. The company will make it one of the prettiest spots in the city.

## "Billy Stuart" Meets a Violent Death Short Time After His "Pal" Was Killed

"Billy Stuart" is dead and Saturday night and Sunday morning there was a scene on the local I. C. baggage room door in respect for the departed canine which made the baggage room its headquarters. The dog met a violent death under the wheels of the engine pulling passenger train No. 101, the fast Louisville-Memphis Flyer, Saturday night at 6 o'clock while the train was pulling into the station. "Billy" fought the engine once too often, and was caught by the big machine and beheaded.

"Billy" was the surviving partner of "Tommyrot," his partner in crime, and there was a remarkable coincidence in the life and death of the two animals.

"Tommyrot" was killed by an automobile and Billy met his death under the wheels of an engine. Tommyrot was strictly a city dog and Billy a railroad dog and the two "bummed" together.

Tommyrot was probably a more confirmed "bum" dog than Billy and was a shade the more intelligent. Tommy made headquarters at the Ripley drug store. Every day or two he would catch a car at 11th and Caldwell, the location of the drug store, and go to the depot to get Billy. The two would then board a car and go to town. Some times Billy would not ride but would go to a

well known down town saloon after he had run to town, and meet his partner. The two got their dinner at the saloon and would then loiter about Broadway until train time. Billy knew when the trains came in and would hit it out for the depot towards 3 o'clock in the afternoon.

Tommyrot while barking at an automobile was run over and killed several weeks ago. Billy failed to find him at his favorite haunts and the loss seemed to affect the dog a great deal. Little by little he became disinterested in the affairs downtown and rarely ever left the depot. His favorite pastime was barking and growling at passengers and at engines. He would rather be teased than fed and his favorite pastime was biting and tearing at persons' shoes and policemen's clubs. He was not a savage dog and every drummer knew him and liked him, and will probably regret to learn of his death.

Billy was the property of Conductor Fred Stuart who used to run into Paducah, but who is now in Martoon, Ill. He was a small mangy rat terrier and very intelligent. Tommyrot, his partner, was a fox terrier.

"She is rigidly conscientious." "Indeed?" "Yes. She sticks to her principles as if it were a matter of etiquette."—Brooklyn Life.

## NEW HOTEL IS NOW BEING TALKED OF

Local Capitalists May Build One Sometime in Near Future.

Capt. J. M. White, of Nashville, is Also Said to Be Interested in a Project.

SEVERAL SITES MENTIONED.

There is a great deal of talk at present of another hotel in Paducah. Since the sale of an interest in the Palmer house to Chicago capitalists, a number of local men, it seems, have been considering the advisability of organizing a hotel company and erecting a modern hotel somewhere in the business part of the city.

Among the sites talked of are where the Tully livery stable now stands, at Fourth and Kentucky, the school property at Fifth and Kentucky, the corner at Third and Jefferson, and Broadway between Fourth and Fifth.

Capt. J. M. White, of Nashville, who owns valuable property on the south side of Broadway between Fourth and Fifth, will be here in two or three weeks. It is reported, to consider the advisability of becoming interested in a hotel to be erected on his property here.

It is rumored that if he is willing, he can get all the local help he wants.

At present, however, there are only rumors. It is realized that the rapid growth of Paducah will in a few years, at most, demand more hotel accommodations, and men with money to invest are anxious to take time by the forelock and get in ahead.

It is understood that one local capitalist is now having plans drawn for a hotel near Third and Jefferson streets.

The Hotel World, of Chicago, this week, contains a picture of the Palmer house and the following item: "Mr. Frank Murphy, steward of the Great Northern Hotel, Chicago, returned Thursday from Paducah, Ky., where he closed arrangements for the management of the Palmer house, that city, in which he has acquired a proprietary interest. In the company Mr. Charles Reed, one of the owners of the property, and who has been operating the hotel, remains president. Others having an interest are Mr. John Roth, manager of the Great Northern, and Judge Henry Laughlin, principal proprietor of the Great Northern Hotel. Under the new proprietorship, the Palmer House, leading hotel of the city, will be enlarged to 150 rooms and greatly improved."

## WATCH STOLEN.

And as a Result an Employee on the Dick Fowler Was Arrested.

Elijah Renfro, colored, an employee on the Dick Fowler, is in jail here pending trial for grand larceny—the theft of a \$40 watch from a passenger on the Fowler Saturday morning.

A resident of Sikeston, Mo., unknown to the police, reported to the officers on the boat that he had been robbed of his watch on the down trip Saturday. At Cairo several negroes were searched but nothing found. Coming back Detective Baker was notified of the loss and instructed the officers to get all employees of the boat in the cabin when they went to pay off the hands. This was done and Detective Baker searched them one at a time. He detected Renfro trying to slip a watch into another negro's pocket and nabbed him. It proved to be the stolen watch, it is alleged.

The Cairo officers were notified to inform the owner of the watch that it had been recovered and to come to Paducah to prosecute. The trial is set for Wednesday.

## My Go to Panama.

Dr. D. P. Reeder, who has an office with Dr. J. W. Pendley on Broadway between Fourth and Fifth, has received notice that he has been selected from the list of civil service eligibles as surgeon for the hospital corps at Panama and is directed to report at New York to sail for the isthmus. Dr. Reeder has not yet decided whether he will go or not.

Happiness is nine parts imagination and one part brag about it.

## BAPTIST REVIVAL MAY END SUNDAY

It Will Then Have Lasted Exactly Four Months.

Thirty or More Converts Baptized in Presence of a Large Crowd at Month of Island Creek.

NEWS OF OTHER CHURCHES.

The indications are that the revival that has been in progress at the First Baptist church since Nov. 19, will close next Sunday. No definite arrangement has been made to that effect, but it is believed by some of the officers of the church, that next Sunday will see the end of this remarkable meeting, which will then have lasted exactly four months.

There have been over 1,000 additions to the church, and it is not known how many conversions, as many who professed joined other churches.

Rev. John S. Cheek is reported improving at Waco, Tex. He is suffering from nervous breakdown, and although there is a report that he may never recover sufficiently to preach again, officers of his church here have no information to that effect, and are certain it is only an unfounded rumor.

An interesting revival is also in progress at the East Baptist church in Mechanicsburg, and yesterday afternoon thirty or more converts were baptized at the month of Island Creek, in the Ohio river. An immense crowd witnessed the baptizing.

There remain a large number of those who have united with the First Baptist church to be baptized and it is understood quite a number of them prefer to be baptized in running water, and will be baptized in the river. No arrangements have yet been made, however, and it is probable will not be until warmer weather.

Prominent officers of the Baptist church state that the next time they hold a meeting, they will have it in a tabernacle to be erected somewhere for the purpose, as the church has been inadequate at nearly every service to hold the crowd.

Rev. G. T. Cates, who has been conducting the meeting, has not decided where he will go from here, but has many places in view to which he has been urged to come.

Mr. Bruner, of Louisville, spoke yesterday morning at the Cumberland Presbyterian church in the interest of the Children's Home in the city of Louisville, stressing the importance of this good work and bespeaking an increased interest in it from the churches of Paducah.

Rev. S. H. Eshman, the pastor, filled the pulpit at night, preaching a very fine sermon.

A revival that promises to be very widespread in its interest began yesterday at the Mechanicsburg

## Iowa Statesman Introduces a Bill to Kill Hopeless Cripples and Incurables

Des Moines Iowa, March 12.—Representative Buckingham has introduced a measure in the house which provides for a "licensed" killing of persons suffering from incurable disease and those born cripples. Common sense is the keynote of the measure. The idea of human beings subjecting themselves to damnation and their relatives to shame by taking poison with suicidal intent when their lives are no longer useful, the author believes to be nonsense.

Paralysis, leprosy, imbecility, any hideous or repulsive incurable diseases and the worst kinds of deformity, are included in the category coming within the provisions of the bill. The measure provides that at least three physicians and the county coroner must unanimously agree upon the necessity for the legal order therein proposed. The patient himself, if he is an adult and of sound mind, must unite in the request, as also must the nearest kin. In the case of children the parents or guardians must consent to the process whereby it is proposed to dispose of them by administering an anesthetic and thereby relieve the hospitals of feeble-minded or insane subjects.

Services will be held all through the week at 2:30 and 7:30 p. m.

Rev. William Bourquin, of the German Evangelical church, preached the second of his series of sermons on the "Last Days of Christ," last evening. His theme was "Divine Power." The sermons will be delivered every Sunday evening throughout Lent.

Rev. W. H. Pinkerton, D. D., who is in the city for a few days resting after a most arduous and successful work in a series of revival services at Wilmington, Ohio, filled the pulpit yesterday morning at the First Christian church. Dr. Pinkerton always brings out the full strength of his former people and has many friends outside in the city, who are glad to hear him. He only preached in the morning.

Dr. Pinkerton will go from here to Pittsburg, Pa., to engage in a revival there. He had over 100 conversions in the Wilmington meeting.

There were three additions to the Broadway Methodist church yesterday, two at the morning service and one in the afternoon. Rev. T. J. Newell, also, administered the rite of infant baptism in the afternoon.

The Senior Epworth league of the Broadway Methodist church will hold its services this evening at 7:30 o'clock in the league parlors upstairs.

Rev. D. C. Wright's sermon at Grace Episcopal church yesterday morning, has been pronounced one of the strongest ever heard from that pulpit. It was a most forcible exposition of the "Life of Joseph" as bearing upon the life of today, and was straight and to the point, calculated to arouse much thought. The rite of adult baptism was administered at the evening service.

Mr. Wright's Lenten talks are on "The Creed and the Christian Life."

## We Will Buy

You a Bottle of Liquezone, and Give It to You to Try.

We make few claims of what Liquezone will do. And no testimonials are published to show what it has done. We prefer that each sick one should learn its power by a test. That is the quickest way to convince you.

So we offer to buy the first bottle and give it to you to try. Compare it with common remedies; see how much more it does. Don't cling to the old treatments blindly. The scores of diseases which are due to germs call for a germicide. Please learn what Liquezone can do.

## What Liquezone Is.

The virtues of Liquezone are derived solely from gases. The formula is sent to each user. The process of making requires large apparatus, and from 8 to 14 days' time. It is directed by chemists of the highest class. The object is to so fix and combine the gases as to carry into the system a powerful tonic-germicide.

Contact with Liquezone kills any form of disease germ, because germs are of vegetable origin. Yet to the body Liquezone is not only harmless, but helpful in the extreme. That is its main distinction. Common germicides are poison when taken internally. That is why medicine has been so helpless in a germ disease. Liquezone is exhilarating, vitalizing, purifying; yet no disease germ can exist in it.

We purchased the American rights to Liquezone after thousands of tests had

been made with it. Its power had been proved, again and again, in the most difficult germ diseases. Then we offered to supply the first bottle free in every disease that required it. And over one million dollars have been spent to announce and fulfill this offer.

The result is that 11,000,000 bottles have been used, mostly in the past two years. Today there are countless cured ones, centered everywhere, to tell what Liquezone has done.

But so many others need it that this offer is published still. In late years, science has traced scores of diseases to germ attacks. Old remedies do not apply to them. We wish to show those sick ones—at our cost—what Liquezone can do.

## Where It Applies.

These are the diseases in which Liquezone has been most employed. In these it has earned its widest reputation. In all of these troubles we supply the first bottle free. And in all—no matter how difficult—we offer each user a two months' further test without the risk of a penny.
